Product matrix – easy to be winded into retail matrixes

Flexible logistic

Marketing support

A pair of large, over-ear headphones with a mouse attached to the left earcup. The headphones are dark-colored with a lighter, possibly white or silver, accent on the earcups. The mouse is a standard computer mouse with two buttons and a scroll wheel. The entire scene is set against a dark, almost black background, with some highlights on the headphones and mouse.

M U L T I M E D I A

Be assured that Canyon Multimedia will always give you a perfect sound quality.
Advanced sound technologies and total quality control system are the basis for that.
Add bright modern design and you will get a perfect Canyon device!

ZIPPER CABLE EARPHONES

FUTURISTIC DESIGN SPEAKERS

Model: CNR-SP20IB 8717371858629

The portable speakers in an unusually designed housing are a great addition to your laptop or PC. Due to their small size, there are no problems to place them on your desk next to the monitor or laptop. Despite its small size, the system has a fairly wide frequency range and can equally well reproduce music of various styles – from light classical songs to tracks with deep bass. The distinguishing factor that sets this model among others is its original futuristic design.

Features:

Output power: 2 x 1.8 W
USB powered
70 dB ± 3 dB
130 Hz - 16 kHz

WIRELESS OPTICAL MOUSE

Model:	CNR-MSOW06B	black	8717371859534
	CNR-MSOW06R	black + red	8717371859541

If you're looking for more freedom when working on your notebook or PC, this wireless mouse is a great solution to avoid a clutter of wires on your desk. It offers you advanced laser technology of 2.4 GHz and a switchable up to 1600 dpi resolution for impressive performance. The mouse features a unique built-in storage compartment for its super-mini USB receiver. It has an ergonomic and compact design for a comfortable navigation, a high precision motion control and smooth tracking. It is available in black/red and black.

Features:

- Ergonomic design
- 1600 dpi switchable resolution
- USB interface
- Compatible with Microsoft, Windows 7

MATTE OPTICAL MOUSE

Model:	CNS-CMSW6Y	yellow	5291485000080
	CNS-CMSW6BL	blue	5291485000042
	CNS-CMSW6G	green	5291485000059
	CNS-CMSW6PU	purple	5291485000073
	CNE-CMSW6O	orange	5291485000066

This affordable compact optical mouse is an ideal companion for your business tasks. It ensures precise cursor control on a wide variety of surfaces and is comfortable in either hand. Mouse color scheme and style harmoniously complement the modern design of the workplace. The lateral side of the mouse has a surface that prevents thumb slip. There is no need in on/off button thanks to energy-saving technology. Mouse switches off automatically when is not used for a long time.

Features:

- Wireless optical mouse
- Adjustable resolution 800/1600 DPI
- Compatible with Windows 2000/XP/Vista/7 Mac OS
- Automatic power saving
- SoftTouch surface
- Wireless distance: up to 5m

BAGS

High-quality fabric and ergonomic design are key features of our bags. They are practical and wear resistance. The main prove is that our models easily withstand even washing machines cycles whiles it is not recommended mostly for all bags. Our production corresponds to the highest European standards. All materials are certified by the standards of ROHS, CE.

STANDARD BAG FOR 15.6 INCH LAPTOP

Model: CNE-CNB15S2B 8717371863807

The standard bag is a slim carrying solution which can fit most of 15-16 inch laptops. The quick-access pockets provide order, while the hideaway carry handles and the detachable shoulder strap allows multiple carrying options.

An innovative bottom pocket, separated from the laptop compartment, safely stores your charger and other accessories with no risk of damaging your device. Besides, this safe and lightweight bag allows you comfortable travel due to its grip handle for trolley suitcases which enables you to fix it upon the trolley handle.

Features:

- Suitable for most 15-16 inch laptops
- Material: polyester
- Quick access organizer pocket
- Detachable shoulder strap with a removable pad
- Custom zipper pulls
- Handle for suitcase
- Color: black

FASHIONABLE BAG FOR 15.6 INCH LAPTOP

Model: CNE-CNB15F7DB 8717371863814

This fashionable bag will add comfort to everyday use of your laptop. The main section of the bag is secured by velcro to keep your laptop safe.

The bag has two large zippered pockets and an inner one for small items. The lining is pleasantly cream colored. The detachable shoulder strap and handles allow multiple carrying options.

Features:

- Suitable for most 15-16 inch laptops
- Material: polyester
- Secure zippered small pocket
- Organized pockets for accessories
- Slipproof padded shoulder strap
- Laptop microfiber compartment
- Color: dark blue

BUSINESS BAG FOR 15.6 INCH LAPTOP

Model: CNE-CNB15B6B 8717371863821

This beautiful case has been carefully crafted with a stylish approach to practicality. Designed in high-quality materials, the case features a protective padded laptop section so you can be sure that your laptop is safe. Carrying is made comfortable by a cushioned shoulder pad. The length of the shoulder strap is adjustable and the strap can be removed completely if desired. The trolley strap on the back of the case allows you to securely attach the case to your luggage for easy transportation. The main advantage of this bag is separate protective pocket for tablet.

Features:

- Suitable for most 15-16 inch laptops
- Material: nylon + polyester
- Quick access organizer pocket
- A detachable shoulder strap with a removable pad
- Custom zipper pulls
- Handle for suitcase
- Color: black

Durable and lightweight polypropylene makes this cover a reliable protective solution with minimal weight and thickness. The new matte coating is smooth by touch, ensures an excellent grip and represents an effective slipproof surface which prevents your iPhone from accidental drops. Full coverage from the top, bottom left and right of your device. Designed to keep the original look of the device while being fully protected.

Features:

- Slim, form-fitting design
- Material: soft-touch polypropylene
- Protects against scratches and dings
- Full button protection
- Allows full access to all controls and ports
- Camera lens cutout

SKYHOOK ELEGANT GAMING MOUSE

CND-SGM5

87 1737 18645 14

Thanks to a successful form factor, the device is equally convenient to fit both right and left hand. In addition, a well-designed hull form allows you to apply different types of grip. While holding controller in your hands you can feel the balance of mass and size of the device. The main keys are very responsive, pressing is relatively easy. Besides the main keys, there are additional four buttons. It is possible to reprogram these additional keys and tie up all the necessary functions to them.

Skyhook mouse is the flagship of the «Star Battle» gaming line by Canyon. It personifies all the desired benefits – form, functionality, convenience. It will become a reliable teammate at a battle!

**SIX PROGRAMMABLE
BUTTONS**

Play and enjoy the virtual world, using standard settings, or customize functions of the buttons

BRIGHT DESIGN

The top cover of the device is covered with wearproof materials by special technology «wire print» Stylish LED elements, turn your device into a real spacecraft of the future.

FIRM DESIGN

Mouse case is made of lightweight, durable and high quality plastic. Button mechanism can withstand heavy loads and can bear up to 10 million keystrokes.

**PROFESSIONAL TECHNICAL
CHARACTERISTICS**

Mouse has well balanced set of professional technical characteristics, appropriate for professional devices. Optical sensor with a maximum resolution of 3200 DPI, supports the maximum frequency of 1000 Hz and acceleration of 30g

SENSITIVITY VARIATIONS

Adjust your movements for yourself! Four levels of sensor sensitivity will easily allow you to be sniper at the ambushes or participate in the epic battles, and assigned colors to each DPI will not allow you to get confused.

TYRANT STYLISH GAMING MOUSE

CND-SGM7B

8717371864392

CND-SGM7G

8717371864408

Tyrant mouse from «Star Battles» series has been designed for those who prefer pleasant-touch quality finishing. The surface of this model is presented in two versions - smooth-glossy and soft-touch. Weight and dimensions are matched so well, that after 2-3 hours of active use you will barely feel the mouse in your hand. The device is designed for an average hand size. Will Tyrant help you to win? Absolutely! The unprecedented accuracy will reduce the number of your faults during the game and striking design will emphasize your individuality and character.  CANYON

WHAT IS THE BEST GAMING KEYBOARD?

Buying a keyboard for true PC gamers is important but not the easy process.

What is more important for you? Programmable keys? Good lighting? Multimedia buttons? USB and headphone socket? The presence of numerous of different functions can confuse you and make the selection process more complex.

So if you are looking for the best gaming keyboard, here is a checklist of the most important features:

- **Game mode** – blocking of Windows button, to prevent accidental switching to the desktop.
- **Backlit keys** – thanks to backlit it is much easier to read the keys in the dark and find necessary ones.
- **Multimedia control** – allows you to control the volume and music without switching to the desktop.
- **Programmable keys** – allows you to program some or all keys for different game actions (or sequence) with macros.

GAMING KEYBOARD

HAZARD

CNS-SKB7-RU 8717371864071

CNS-SKB7-US 8717371864088

Series «Hazard» combines devices with unique features and design. Keyboard Canyon «Hazard» is made in a minimalistic design and embodies all the necessary functions. It has two colors of LED backlight, rubber base firmly holds the keyboard at the table surface. Typing is the same easy, as on the mechanical, and it is significant that typing is very comfortable during typesetting as well as gaming. The keyboard also has a game mode that locks down Windows key. In addition, the keyboard case is made of innovative alloy «Avial» (Aluminium alloy), which used in aircraft construction. «Hazard» keyboard has excellent functionality. It is real pleasure to use it and, by the way, it looks great.

SPECIAL FUNCTIONALITY

The keyboard has three high-speed mode, which can be used during the gaming process and thereby reduce the delay time of keys from standard 8ms to extremely fast - 4ms

FIRM DESIGN

The keyboard case is made of innovative alloy «Avial» (Aluminium alloy), which is used in aircraft construction and has a remarkable stability and immobility during gaming battles. Push-button mechanism is specifically designed by CANYON engineers. This mechanism duplicates pressing of mechanical buttons, designed for exceptional reliability, can withstand heavy loads of up to 20 million keystrokes, and before getting into the hands of the buyer, each device was tested under more than 20 tests.

ZONE BACKLIGHT

The keys are easy visible even in a low light. They have individually adjustable backlight brightness level. Cursor keys and block A, W, S, D has different colors for better distinguishability.

BRIGHT DESIGN

The unique breathtaking design of the device has aggressive look. Stylish LED elements, turn your device into a real spacecraft of the future.

GAME MODE

Deadlock of «Windows» key prevents «flyouts» from the game.
